5-Year Extended Program Requirements

AUTHORIZED START-UP REQUIRED: A properly completed start-up form and report and the QOF warranty registration is required to obtain the 5-year extended warranty. The 5-year extended warranty is available with an authorized start up by a Quincy authorized representative. A properly completed start-up report is required; this form must be completed by an authorized Quincy representative and submitted within thirty (30) days of start-up to be eligible for the extended warranty. Completed start-up must be submitted online through the Quincy Compressor partner portal website (www.QuincyHQ.com).

Genuine Parts and Fluids - The compressor must be maintained with QuinSyn-OF. Actual fluid change interval is to be determined by fluid sampling report, not to exceed maximum fluid change interval. Fluid samples must be taken every 2,000 hours or as directed by the analysis report. For light usage units, a fluid sample must be taken a minimum, of every six (6) months, beginning at start-up.

Only Genuine Quincy Compressor maintenance and replacement parts may be used on the air compressor, otherwise the Quincy QOF 5-Year Extended Warranty is voided.

NOTICE!

Quincy Compressor reserves the right to modify or withdraw this QOF Warranty program at any time on units not already covered by this QOF WARRANTY program. Normal rules of warranty apply regardless of coverage length. This QOF warranty is non-transferable.

The customer and/or the Quincy authorized distributor must maintain copies of start-up forms, all maintenance records, parts purchases, and sampling reports. The following records will be required for warranty airend replacement and/or warranty claim consideration and should be submitted to the Quincy Compressor Customer Service Department.

- a) A completed Airend Failure Information form
- b) A copy of the QOF warranty Registration/Agreement form
- c) Copies of all maintenance logs for the unit
- d) Proof of purchase of genuine Quincy parts and fluids
- e) Copies of all fluid analysis reports

Notice of the alleged defect must be provided to Quincy Compressor in writing with all identifying details including serial number, model number, and type of equipment and date of purchase, within thirty (30) days of the discovery of defect during the warranty period.

Seller's sole obligation on this warranty shall be, at its option to repair, replace or refund the purchase price of any product or part thereof which proves to be defective. If requested by the Seller, such product or part thereof must be promptly returned to the Seller, freight collect, for inspection.

Seller warrants factory repaired or replaced parts of its own manufacture against defects in material and workmanship under normal use and service for ninety (90) days or for the remainder of the warranty on the product being repaired, whichever is longer.

This warranty shall not apply and Seller shall not be responsible nor liable for:

- a) Consequential, collateral or special losses or damages;
- b) Equipment conditions caused by fair wear and tear, abnormal conditions of use, accident, neglect or misuse of equipment, improper storage or damages resulting during shipment;
- c) Deviation from operating instructions, specifications, or other special terms of sales;
- d) Labor charges, loss or damage resulting from improper operation, maintenance or repairs made by person(s) other than Seller or Seller's authorized service station.
- e) Improper application of product
- f) Acts of God

Section 8B - Warranty Statements (Rotary Screw Products)

In no event shall Seller be liable for any claims, weather arising from breach of contract or warranty of claims of negligence or negligent manufacture, in excess of the purchase price.
