P/N
KWJCM-B2B15M

Back of Pouch

Auto Cleaning Cycle for JCM Bill Validators

Recommended Usage:

The frequency of cleaning is dependent on the condition and the volume of bills inserted. Monthly or weekly usage of the cleaning card is recommended. For more information visit www.jcmwaffletechnology.com

This product should be used in conjunction with a recommended Preventive Maintenance Program to help reduce dirt and paper dust buildup that may cause jams and other related failures.

Directions:

1. Remove cleaning card from pouch and insert into bill validator.
2. Cleaning Card will be accepted, activates cleaning mode, and rejected automatically.
3. Repeat this process as required to ensure buildup removal.
4. Discard used card.

Waffletechnology® is a registered trademark of the Manufacturer. Patent Pending
