WaffleTechnology™ is a registered trademark of the Manufacturer. Patent Pending

This Product Approved by

Back of Pouch

Recommended Usage:
The frequency of cleaning is dependent on the print volume, quality of the tickets, presence of paper dust, and other environmental factors, such as smoke. Usage as frequently as monthly or weekly is considered acceptable for this product.

Directions for Epic 950® and Epic 850®:

1. Insert cleaning card - arrow end first - into Gaming Ticket Printer.
2. Push feed button.
3. Cleaning Card will be accepted and processed through the printer.
4. Repeat steps 1-3 several times to ensure buildup removal.
5. Insert Blotter Card (dry card) and repeat Steps 1 & 2.
6. Discard used Cleaning Card and Blotter Card after use.

Epic 850®

Epic 950®

This Ticket Cleaning Product was developed exclusively for use on the Epic 950® and 850® Ticket Printers and approved by Transact Technologies Inc. No other product is so designed to properly clean these printers and use of any other cleaning card is discouraged and may void equipment warranties. For more information contact Transact Technologies, Inc. or an authorized dealer of Transact's equipment and Products.
