Back of Pouch

Recommended Usage:

The frequency of cleaning is dependent on the condition and the volume of bills inserted. Monthly or weekly usage of the cleaning card is recommended.

Directions:

1. Remove cleaning card from pouch and insert into bill validator.
2. Cleaning card will be accepted and rejected automatically.
3. Repeat this process several times to ensure buildup removal.
4. Insert and **HOLD** cleaning card while validator pulls it to ensure cleaning of belts.
5. Discard used card.

Made in the U.S.A.
Waffletechnology® is a registered trademark of the manufacturer.
This product is covered by the following US Patent: 7,732,040.

Waffletechnology®
This revolutionary Waffletechnology cleaning card ensures pressurized contact to areas not accessible with flat cards, resulting in a superior clean.
