**Panini Cleaning Cards - Over 1 Million Used**  
*Cleaning Milestone Reached on Panini Check Scanners*

**Auburn, ME., August 2, 2011** – KICTeam has shipped its one-millionth [Panini Waffletechnology® Check Scanner Cleaning Card](#) designed as a quick and efficient means of removing ink and other particles from the [Panini](#) check scanners. This marks a significant usage milestone for a product that will help maintain the clarity of check images and cleans other critical components of the scanner.

“The use of the millionth cleaning card is a testament to the effectiveness of this product and the ease of cleaning it provides for [Panini Check Scanners](#),” says Joe Sanders, VP Technical Services, Panini North America. “We are aware of the importance of keeping check scanners clean and have been extremely satisfied with the performance of this product. We will continue to recommend the use of this product for proper cleaning of our market-leading check scanners.”

“Panini recognizes the importance of providing an easy to use cleaning tool to help ensure optimal performance of their check scanners,” says Debra Ross, Global Product Manager, [KICTeam](#). “The commitment Panini has shown to create customer awareness of this cleaning card for their check scanners has been phenomenal. The millionth card represents the [consistent use](#) of the product by satisfied customers.”
