

400 Technology Parkway, College Station, TX 77845

September 2014

NCR Texas Digital has evaluated the EnVanish™ Device Cleaning wipes as provided by KICTeam. Based on the manufacturer's MSDS (Material Safety Data Sheet), use of these wipes as directed by the instructions on the packaging will not damage the Accuview Display. Furthermore, use of these wipes per manufacturer's instructions will not void any warranties.

With this letter, NCR approves the use of these wipes on our Texas Digital Accuview equipment.

A handwritten signature in black ink, appearing to read "Dave Meier".
