

PRODUCT RECOMMENDATION: Microcom

October 2015

To All Users, OEM's and Distributors:

Microcom encourages and promotes a proprietary labeled KICTeam thermal printer cleaning kits featuring Waffletechnology® cleaning cards and cleaning swabs* as part of their standard business operations. The cards are referenced in their product manuals, operators' handbooks and online videos.

The KICTeam product, its benefits and usage information can be found on the website:

<http://www.microcomcorp.com/supplies/>

in the product user manuals

www.microcomcorp.com/support/manuals/

and in a video on their [youtube page](#).

Sincerely,

John Condon

Vice President of Operations
