

PRODUCT RECOMMENDATION: Toshiba: Thermal Printer Cards, Wipes and Pens

March 2015

To All Users, OEM's and Distributors:

Toshiba promotes KICTeam thermal printer cleaning cards, wipes and pens as part of their standard business operations for barcode printers to:

- Extend the life of your machine
- Cut down on costly repairs and down time
- Preserve print quality and eliminate unscannable barcodes

The KICTeam products*, benefits and usage information can be found on the Toshiba business products website in a downloadable consumables brochure (see image right).

TOSHIBA

Toshiba Barcode Consumables
The Perfect Solution

Toshiba thermal barcode consumables diverse product offering is the perfect solution for your business-critical labeling applications. From ribbons to labels, RFID tags to cleaning products, we have a solution for you.

Stock Media
We offer a variety of standard and fraction size paper labels for Toshiba and non-Toshiba thermal barcode printers.

- Large selection of paper labels
- Half and quarter width lengths available
- Fits all Toshiba thermal barcode printers and most non-Toshiba printers
- Competitive pricing and fast ordering process
- Rigorously tested and approved

Custom Media
We work with several vendors to get you the lowest price and highest quality custom product. From RFID and synthetic material to heavier grade and high heat, we can do it all.

- Multiple vendor quotes for lowest price
- Vast range of custom face stocks available
- Quick quote turnaround (24-48 hours)
- Turnkey solutions available on an order

Aftermarket Ribbons
A full line of non-Toshiba branded ribbons are also available for thermal transfer printers. Just like Toshiba ribbons, our non-Toshiba branded ribbons are tested - you can rest assured that you are getting the highest quality product for your thermal barcode printer.

- Tested and approved for use in all Toshiba thermal barcode printers
- Competitive pricing and fast ordering process
- Hundreds of sizes and formulations
- Special back coating extends printhead life

Cleaning Products
Toshiba offers easy to use cleaning pens, cards and wipes. Using cleaning products will lead to less label waste, longer printer life and lower maintenance cost.

- Pens, wipes and cards for all thermal barcode printers
- Extends printer life
- Cut down on costly repairs and down time
- Preserve print quality and eliminate unscannable barcodes

End Users Please contact your authorized Toshiba dealer for more information. Please log on to www.kicteam.com for pricing and product information.
