

## PRODUCT RECOMMENDATION: ARCA: Bill Acceptor Cleaning Cards

May 2015

To All Users, OEM's and Distributors:

ARCA recommends KICTeam Bill Acceptor cleaning cards featuring Waffletechnology® as part of their standard business operations to help extend the life of their devices as well as reduce costly repairs. The cards are recommended to clean the CM18 Cash Recycler. These products are found in banks and financial institutions.

The KICTeam product\*, benefits and usage information can be found in the ARCA instructional video (see image right).

Sincerely,

John Condon

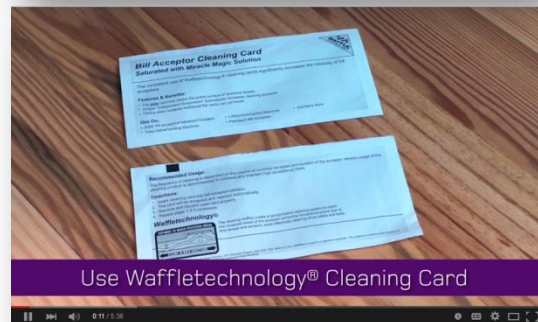

Vice President of Operations
