

Performance Plus Greases

PERFORMANCE UNDER THE MOST EXTREME CONDITIONS.

ALL-PURPOSE LITHIUM GREASE

PERFORMANCE PLUS All-Purpose Lithium Grease is a premium lithium grease suitable for many industrial and light duty applications.

Performance Plus All-Purpose Lithium Grease is ideal for use in applications calling for a Lithium NLGI #2 grease with good corrosion protection, water resistance, oxidative stability and wear protection.

PREMIUM BASE OILS: Performance Plus All-Purpose Lithium Grease starts with premium, low viscosity base oils for pumpability cold environments

FORTIFIED WITH SPECIAL POLYMERS: Our polymer package reduces oil separation and resists water washout keeping the grease in applications longer

EXTREME PRESSURE PERFORMANCE: A state-of-the-art extreme pressure additive package helps moving components withstand light to moderate shock loading and prevents early wear
