BBB INDUSTRIES RECEIVES EXCEPTIONAL QUALITY AWARD FROM THE NETWORK

MOBILE, ALABAMA: BBB Industries was recently recognized at the Automotive Distribution Network's national convention for its exceptional product quality. BBB is a supplier of brake calipers, rotating electrical and steering products.

"The Network's Exceptional Quality Vendor of the Year Award was presented to the supplier that demonstrated the highest level of product quality, exemplifying the ideal Automotive Distribution Network partner," said Gil Gunn, Vice President of Product.

In addition to award-winning product quality, BBB Industries provides The Network with world-class technical service, sales support, installer assistance and product management.

"We are thrilled to receive this award and would like to recognize everyone at BBB Industries who contributed to our common goal of building superior quality products," stated Trey Smart, Executive Vice President of Sales.

About BBB Industries

BBB Industries, LLC is an industry leader in the remanufacturing of alternators and starters to the automotive, medium and heavy-duty truck, industrial, agriculture, small engine and other markets. The Company's undercar division remanufactures power steering products for the automotive original equipment manufacturers and aftermarkets. In addition, the Company remanufactures brake calipers for automotive, light duty and medium duty applications. Headquartered in Mobile, Alabama, BBB Industries is committed to producing products with the right fit, at the right price and at the right time. BBB Industries supplies superior-quality products through a network of more than 1,000 dealer locations. Additional information is available at www.bbbind.com.
