BBB INDUSTRIES ANNOUNCES JOSH MCCABE AS DIRECTOR - CATEGORY MANAGEMENT

Daphne, AL - BBB Industries, a leading remanufacturer and distributor of automotive parts in the North American aftermarket, is pleased to announce the recent appointment of automotive industry veteran Joshua McCabe as Director - Category Management.

Josh will be based in Dallas, TX and will report to John ("Trey") B. Smart III, BBB Industries Executive Vice President, and will manage the company's day-to-day customer support across all product line categories.

Commenting on the appointment, Trey said: "We are excited to have Josh join our leadership team. His significant industry and customer knowledge, along with his experience in the category management field, will help drive and support BBB Industries' continued growth".

Josh has over 7 years of increasingly responsible experience in category management, inventory, market research and pricing. He joins BBB from Remy International where he was most recently Senior Manager of Category Management for all retail and wholesale distributor accounts. Josh holds a BS degree in Marketing from Oklahoma State University.

***BBB Industries, LLC** is an industry leader in the remanufacturing of alternators and starters to the automotive, medium and heavy-duty truck, industrial, agriculture, small engine and other markets. The company's undercar division remanufactures power steering products for the automotive OE and aftermarkets and brake calipers for automotive, light duty and medium duty applications. Headquartered in Mobile, Alabama, BBB Industries is committed to producing products with the right fit, at the right price, and at the right time. BBB Industries supplies superior-quality products through a network of more than 1,000 dealer locations. Additional information is available at www.bbbind.com.*
