

# Lodging Services

## Fact Sheet

Clean Harbors Lodging Services design and operate lodges that set industry comfort, quality, and service baselines. Our units are designed by people who have lived in the field and understand the unique living, social, and related needs of construction and oilfield workers. We currently operate facilities in the Fort McMurray area and other locations in Alberta, British Columbia, and Saskatchewan.

## Multiple Accommodation Types

Clean Harbors provides multiple accommodation types including -

- *Client lodges and Open lodges*
- *Operator camps* – custom built to client's specific requirements
- *Drill camps* – modular units, which are assembled into full service camps. These camps can be dispatched and set up to provide a full turnkey service in short periods of time and can accommodate crews from 20 to 45 people (double drill camp).

## Lodge Amenities

Our alcohol and drug-free lodges are maintained to the highest possible standards of cleanliness and service. Our dining areas are designed with a large open concept. Circular tables, premium chairs, and separate sitting areas are standard. The common areas feature sofas, large televisions, games tables, and informal meeting space. Standard amenities include -

- Superior catering and housekeeping services
- Fully equipped common areas, fitness rooms, and computer rooms
- Wireless internet and public phones
- Powered parking stalls
- Laundry facilities and cleaning supplies
- Daily towel service

## Advantage of Staying at a Clean Harbors Lodge

At Clean Harbors Lodging, it's our job every day to serve all aspects of your stay while you are away from home. As your host, we take pride in our guest service culture. Our goal is to drive excellence and captivate our guests by providing superior service, genuine hospitality, and an outstanding guest experience.

There's certainly an advantage to coming into a comfortable housing environment that makes you feel you are back at home, compared to large institutional camps. At Clean Harbors' lodges and camps, you will get to know our hospitality team who are selected for their warm and accommodating spirit and are committed to putting you first.

## Clean Harbors is a Complete Housing Provider

We are a one-stop housing provider including design, construction, transportation, set-up, service, maintenance, catering, and housekeeping.

## Lodge Room Types

Clean Harbors offers four room types designed to meet the unique needs of our guests. All rooms are air conditioned and have satellite television services. Internet connection is available in some rooms.

*Dorm Rooms* – Bedroom 90 sq. ft.

Private sleeping quarters; central washroom within dorm.

*Regular Rooms* (Jack & Jill) – Bedroom 95 sq. ft. / Washroom 23 sq. ft. Private sleeping quarters and individual lavatory sink. Toilet and shower are shared with one adjacent room.

*Executive Rooms* – Bedroom 131 sq. ft. / Washroom 25 sq. ft. These rooms are larger than the standard rooms, featuring larger work areas and more storage space, as well as their own sink, toilet, and shower.

*VIP Rooms* – Bedroom 165 sq. ft. / Washroom 40 sq. ft. These are our largest rooms, featuring all the amenities of the executive rooms, plus a separate sitting area and bath.

*Select Rooms* – Sierra Select Lodge (Management Facility)

Bedroom 190 sq. ft. / Washroom 44 sq. ft. All rooms feature premium quality towels and bed linens, private washroom (shampoo, body lotion, etc.), climate and air quality control, a safe, a phone-with free calls to the US and Canada, and a 37" flat screen TV. There is zero noise transmission between rooms.
